5 - What aspect of Prof. /Dr. Chisom Ubabukoh's approach to teaching best helped your learning?

- He is a fantastic tutor that is very engaging and thorough in his explanations of complicated topics. He did his best to ensure everyone left the tutorial with a full comprehension of the questions and answers.
- Very fast respond for all problems. Excellent.
- He carefully approached each question in turn to ensure nobody was left behind and that everybody understood how the answers came about.
- his explanations were very detailed and informing and he was very patient with the class.
- He accepted any questions and encouraged us to have discussions about the relevant topic.
- He went through almost all the questions in the tutorial classes, which is very good. He explained everything he could within that 50 minutes. The tutorial class was very helpful. Chisom is very nice and he teaches very well!
- He was always extremely positive and did not only give us the answers, but could give good explanations in an understandable way. I like the way he set up the tutorials and I learned a lot from these tutorials!
- He gave clear explanation to each answer of the tutorial exercises and to each question we could have. He was nice, friendly and clear in his language skills. He was an helpful and good tutor !
- He explained what I found unclear very well and was very friendly. His classes were engaging and he gave us knowledge beyond the syllabus
- He was always on time and open to questions as well as different ways of answering them.
